

Application for Business Professional Liability

This is an occurrence policy form. With an occurrence policy, you do not have to purchase a tail or extended reporting period (ERP) coverage after the policy is not needed. Please review the policy carefully and discuss coverage thereunder with your insurance agent or broker.

We offer coverage for corporations, group practices, agencies, and nonprofit organizations.

Our professional liability product is for behavioral and mental health businesses.

Employees

To cover employees, on a separate sheet, please attach a list of all employees with all job titles, number of workers in each job category (see categories below). List the total number of employees in each of the job categories.

All employees listed must meet State continuing education requirements in order to be eligible for coverage. (Use the table and key below to determine your premium.)

<i>Limits of Liability</i>	<i>Flat Coverage C/O</i>	<i>Psychiatrist per person</i>	<i>Psychologist per person</i>	<i>Prof Staff per person</i>
\$1,000,000/\$3,000,000	\$578	\$1,514	\$462	\$126
\$1,000,000/\$5,000,000	\$615	\$1,610	\$491	\$134
\$2,000,000/\$4,000,000	\$613	\$1,606	\$490	\$134
\$3,000,000/\$5,000,000	\$613	\$1,610	\$491	\$134

Determine your Business Professional Liability Premium:

- 1. Find the Flat Coverage Base Rate:** The flat coverage is the automatic premium base, so determine the preferred limit of liability for the entire business policy to gain the flat coverage base premium.
- 2. Select the Premium for Each Person/Occupation:** For each owner(s) and employee, select the rate in the table above corresponding to the limit of liability chosen for the flat coverage base rate.
- 3. Calculate Total Premium:** Add the flat coverage base rate and each person/occupation rates for the owner(s) and employees of the business to determine the total annual premium. (Please omit clerical staff)
- 4. Total all sub-totals to get your premium.**

For example: A business wants \$1M/\$3M coverage and has:

- Flat rate = \$578
- 1 owner psychologist = \$462
- 3 professional staff = \$126 x 3 = \$378

TOTAL QUOTE = \$1,418

Important regarding Independent Contractors: Please document your business independent contractor relationships. The information should be provided on a separate document with the name, professional occupation and note that the individual is an independent contractor.

***Please note that independent contractors are not individually insured** on this policy and they must obtain and hold their own individual professional liability insurance. If an allegation is made toward your business related to an independent contractor, coverage support (subject to the terms and conditions of the policy contract) would engage to defend the allegations against your business, not the individual allegations of the contractor. The business must hold a valid copy of the independent contractor professional liability coverage certificate.”
