General Liability Coverage

Our General Liability policy covers you for all visitors, all the time while on your premises, or on your rented event venue.

If you operate training or therapy sessions outside your office such as in hotel meeting rooms, then you need to buy our General Liability policy. Our policy covers thefts of and damage to property owned by your guests and visitors at these events as well as all visitors to your office.

Our General Liability policy has no limits on the number of fire-related claims per year, and full coverage of up to \$1,000,000 per policy claim per year, PLUS up to \$3,000,000 in aggregate for all fire incident claims per policy year.

If you have many offices and even offices in other states, you are covered for no additional charge.

Best Practice

Know the expiration dates of all your policies – professional liability, general liability, auto, health, etc., to guard against accidentally having coverage lapse. **About 90 days prior to expiration**, begin to initiate the renewal of your insurance policies, include possibly shopping around, understanding your coverage, and any gaps in coverage.

About Our Professional Liability Policy

This professional liability product is an occurrence policy form. With an occurrence, you do not have to purchase a tail or extended reporting period (ERP) coverage after the policy is no longer needed. Please review the policy carefully and discuss the coverage with your insurance agent or broker.
