

Professional Liability

If Named in a Lawsuit, Are You Prepared?

Are you or your business protected from legal action?

Clients rely on you for the mental health care they need, but helping others can put you, your practice and your employees at risk of being sued by someone dissatisfied with an outcome.

If you, your business or organization provides outpatient allied health or clinical social work services, **Professional Liability Coverage** protects against the costs of lawsuits, damages, and other claims putting you and your business assets at risk.

Our program can provide experienced legal defense and coverage for settlements or damages.

You're building a thriving business making a real difference in your community. *Let us help protect you, your business or organization and employees.*

Your Professional Liability Policy Covers:

- Legal Defense Cost
- Damage and Settlement
- Health Information – HIPPA Privacy
- Wage Loss and Expense
- Sexual Misconduct
- Emergency First Aid

**Don't risk a lawsuit that could put you out of business!

Best Practice

Know the expiration dates of all your policies – professional liability, general liability, auto, health, etc., to guard against accidentally having coverage lapse. *About 90 days prior to expiration*, begin to initiate the renewal of your insurance policies, include possibly shopping around, understanding your coverage, and any gaps in coverage.
